

IT'S TIME TO
MODERNISE
— YOUR —
MONITORING

DON'T MISS THIS DEAL

exo™

TRADING UP IS AS EASY AS 1-2-3!

To modernise your monitoring, YSI is offering our best deal of the summer. Trade in **ANY 6-Series or non-YSI sonde** to get our **1-2-3 Offer!** If you trade in for EXO1 choose 1 upgrade, if you trade in for EXO3 choose 2 upgrades, and if you trade in for EXO2 choose 3 FREE upgrades!

EXO1

EXO3

EXO2

Choose **1, 2, or 3** of these upgrades with your trade-in.

EXO GO

Keep your sonde in the water while you collect and visualise data on a **mobile device**.

Central Wiper

The best anti-fouling wiper in the industry, protecting your sensors for up to **90 days** in the harshest conditions!

EXO Carry Case

The perfect solution for protecting your sonde and accessories whilst out of the water.

Wiped C/T

Extend deployments and get un-fouled conductivity and temperature data with our **one-of-a-kind** Wiped C/T sensor.

Anti-fouling Package

Use the copper-alloy sensor guard, copper tape, C-Spray, and sonde and sensor sleeves to **protect your equipment**.

Field Cable

Get the right cable for your application – up to **33 meters!** Includes vented cables.
